Thank you. Slides are great. Unless management "corrects" me today, ADEQ should not have a PowerPoint presentation to add to the Tues. DRC meeting. ADWR's Dave Christiana was traveling Fri. and I have not heard from ADWR yet today. FYI - Management has not extended an invite to UXO Pro to join the DRC call. So UXO Pro will not be available to answer questions.

Greetings,

Thank you for participating in the conference call on Monday to review our draft presentation package for the upcoming DRC meeting next week. We have revised the presentation to make it more streamlined and focused. Please review and provide me with any comments/questions you have as soon as possible, ideally no later than COB tomorrow. I plan to send the final version to the DRC members so they can have it before the call on Tuesday.

Regards,

Loren
